### "Over The Rainbow -7 bridges by art-"

The symbol color of this year is "Rainbow". It's made of "7" colors. We would like to be a bridge for connecting person, world, nature, education, creation, environment and futures through art. For this event, we are planning the special project "Tote bags -Messages from 77 artists-" as a display. We asked great artists from all over the world to make special tote bags as a canvas.
